

# Chocolate & Cherry Tart

**Serves 8**

**For the crust**

100g vegan margarine  
300g vegan digestive biscuits,  
crushed to fine crumbs

**For the filling**

200g vegan dark chocolate,  
broken into chunks  
125ml (½ cup) melted coconut oil  
½ x 400ml tin coconut milk  
1 tsp vanilla extract  
250g (generous cup) frozen pitted cherries  
1 tbsp cocoa powder, for dusting

- 1** Melt the margarine in a pan on a very low heat, then add the crushed biscuits and stir to combine. Use a little extra margarine to grease a 23cm (9in) tart tin and start to press the biscuit margarine mix into the tin. Press it down firmly, ensuring that you cover the tin evenly, then pop it in the fridge.
- 2** Combine the dark chocolate, coconut oil, coconut milk and vanilla extract in a pan over a low heat and cook, stirring occasionally. Once all of the chocolate has melted, pour it onto the biscuit base.
- 3** Place the cherries in the mixture, arranging them evenly over the surface of the tart, adding them until the mixture has risen level to the tin edge.
- 4** Now leave the mixture to cool in the fridge for at least 3 hours before trimming the edges. Remove the tart from the tin and dust with cocoa powder before cutting into slices.
